Lord, Hear Our Prayers...

- Pray for Herma D as she undergoes further tests for the cause of a colon blockage. Pray that Herma may know God's loving and comforting presence, trusting in Him Whose power and glory is above all.
- Pray for our elders, that God may give to them His strength and wisdom, as they are called to spiritual leadership for our church. Pray that they may experience His joy as they serve.
- Pray that we, more than anything, would know God deeply. Pray that God would enlarge our understanding, deepen our convictions, and desire to serve Him for His glory.
- Pray for those who have fears about their health: aches and pains that won't go away, symptoms that are unexplained, treatments that we hope will be effective.
- Let us continue to be in prayer for the RCA and for the continuing work of the Vision 2020 team as they enter the final months of their work before General Synod this coming June. Pray for God's Spirit to lead our denomination in His truth.
- Pray for God to empower us to be a community of caring in our neighbourhood and workplaces all in the name of Jesus Christ, in the power of the Holy Spirit, who sustains us.
